Hollywood is hot on the heels of this freshly minted fashion 'it' girl

Whether she's out on the town in an eclectic vintage ensemble or on the way to class balancing a giant-size Starbucks drink and one of her many Balenciaga totes, there's no arguing, Ashley is a bona fide trendsetter.

Need proof? From Madonna to Jennifer Aniston, the ranks of A-listers sporting Ashley-esque styles grow every week. Celebrity stylist Danna Weiss says, "Her style encompasses so many different looks that other celebrities are bound to overlap with her."
