10 JENNIFER ANISTON

Makes classic styles sexy

It's been a whirlwind year for Jennifer Aniston, who split from her beau of 18 months, Vince Vaughn, on Dec. 5. But through it all, she's maintained her dignity — and her sense of style! "Jen does classic in a very girl-next-door and even sexy way," says celeb stylist Danna Weiss. "Her style is timeless — she can step out a decade from now and still look flawless."

9 KATIE HOLMES

Mixes basics with elegance

Katie Holmes has graduated from shy Joey Potter of *Dawson's Creek* to a full-blown international style star who chooses elegant, grown-up pieces. "Katie's come into her own," says stylist Weiss. "She's become American royalty."

Katie, here with 8-month-old daughter Suri, "takes basics and mixes them with subtle pieces," says style expert Weiss of the star's Rock & Republic Victoria Beckham jeans and Gucci top.
