FASHION MUST-HAVES

Her furry Fendi bag and pretty pink outfit give J.Lo a warm glow at the World Music Awards

J.Lo softens

In the midst of a whirlwind press tour, the *Shall We Dance* star warms up to her public with a sumptuous fur bag

In recent weeks, **Jennifer Lopez** has become more open about her freshly-minted marriage to singer **Marc Anthony**. La Lopez, 35, seems to be happily in love, and her cuddly Fendi bag reflects a shift in her style toward more

playful and flirtatious choices. After an almost year-long hiatus, the multi-talented star is back. With two albums in the pipeline (one in English and one in Spanish), she has just signed up for *American Darlings* co-starring **Nicole Kidman**.

A STEAL Pink is feminine, and this would add style to a sweater set. **Intuition; \$30, shopintuition.com**

People see fur bags and want to touch them. They make your look inviting

How to care for fur bags

Follow these tips from fur experts
J. Mendel to keep your tote in top form:

- Store in a cardboard hatbox in a cool dry place. Never use plastic — fur needs to breathe
- If you get stuck in the rain, take everything out and shake it off so it won't lose its shape
- If you stain it, send it to a professional fur cleaner. Call the store where you purchased the bag for a cleaning recommendation
